## Variety Data: RGT SKYFALL

### VARIETY OVERVIEW:

Group 1 milling wheat RGT Skyfall is the UK's most widely grown winter wheat, the first time a milling wheat has achieved this for more than a quarter of a century. Its combination of high yields, excellent quality and good functionality has made it an out-and-out favourite among UK milling wheat growers and end users. RGT Skyfall has also taken a large share of the UK feed wheat market, thanks to its high output, good straw characteristics and very strong agronomics.
